

# GARY WALSH

Information & Computer Systems

## PERSONAL PROFILE

I'm on my last semester of my program majoring Information and Computer Systems at Camosun College. I will be graduating on April 2020. I'm currently working as a freelancer/consultant on redesigning website for my clients in Indonesia, while finishing up my last semester of school. I'm an enthusiastic person and always eager to learn new things especially in the technology area..
